

Institutional Distinctiveness

The vision of the Mazbat College is to provide value based quality higher education to ignite students to be honest seekers of knowledge, truth and earnest agents of transformation.

The College has provided tremendous thrust and priority to its program of delivery by imparting value based knowledge

and enabling students to be socially responsible to transform self and society - an area distinctive to the Vision of the

College. Therefore, the focus of the College is to educate, enable and empower young students of different communities of this Assam-Arunachal Pradesh boarder under Bodoland Territorial Region of Assam.

Pursuing its vision integration, in the last five years, the College provided financial assistance to several students with partial fee waivers and also full fee waivers. This assistance was in addition to the support received by reserved category students from state and central Government.

The College has a financially sustainable Need-Blind Admission Policy that enables all students to enrol for its courses at the time of admission

itself. Under its Diversity Inclusion and Integration Program, the College during Covid-19 pandemic in 2020-21, provided a vital support structure to conduct Online Teaching-Learning for its students.

The College follows a “proactive financial aid policy”, organizes courses in skill training on computer literacy and communication skills.

The College emphasizes the need to mainstream the marginalized and

weaker sections of the society to ensure justice and equity. The motive behind is to steer the education it offers not only towards the realistic goal of employability, but also to build a life of the mind and sensitize

and orient its students to the service of the community, in the quest for a better life for society and the world that we inhabit. Justice and Equity for the people of Mazbat area is thrust of the college for social committment.

The college community is working for the betterment of the people in Tea Garden Areas since Mazbat area is surrounded by several tea estates. Some of the critical

issues needed to be tackled are Witch Hunting, Alcohol Consumption Habits, Domestic Violence, Drop Out students, Health Awareness Camp, Income generating activities for the women of the area. Witch hunting is a significant issue to be tackled.

Various incidents of Witch Hunting occurred at several places (especially in Bhutiasang and Lamabari Tea Garden) and therefore college conducted several awareness camps with people of Tea Garden areas in association with District Legal Service Authority, Udalguri and Mazbat Mahila Samiti. Initially reluctance from public was seen but after several initiatives incidents have come down drastically. Another

common issue is consumption of local

liquor. This social menace also creates lots of problems in society. Even several death occurred due to the consumption of this liquor. Mazbat College women cell and students in association with Mazbat Mahila Samiti

conducted several awareness activities like street plays, meetings with local people and awareness rally. This resulted in less domestic violence, more number of enrolment in schools. Domestic Violence is another issue that has ruined so many lives, broken families and spoiled the future of the child. College students were involved in conducting series of activities to aware the people about this evil. Primary School Drop Out is yet another problem in Garden areas. Mazbat College Women Cell, Alumni Association and Mazbat College Students Union conducted meetings with Garden Authority, Parents and Teachers to find out the solution for this. College has donated several playing equipment to the Tea Garden Primary schools to make the school environment kids' friendly. College being a higher educational institute

committed to provide exposure to women of the area in income generating activities. Various programmes were organised to meet this goal. Exhibition cum sell mela one of the activities that offers them a

platform to showcase and sell their products. Mazbat College Women Cell in association with Jivika (An income generating programme of Women SHGs) had helped many women SHGs to start income generating activities like Knitting and Cutting units, Looms,

Piggery units by conducting various awareness programmes. Creating Awareness on Healthy Life is another focus of the college. Diseases like Malaria, Typhoid, and Dysentery are some of the common diseases usually occur in the Garden areas.

College conduct various awareness programmes to create awareness among the people of the Gardens. During Covid-19 period, College took proactive measures too. Awareness Campaigns were conducted in association with Mazbat mini PHC in different places about covid appropriate behaviours. Moreover, during Covid-19 pandemic period, masks, sanitisers and food articles were distributed. College had chosen Dewalkhanda Village to promote Organic Cultivation. Students were oriented about the process of paddy cultivation and given hand on experience under the guidance of agricultural experts and department of History. Some

other activities conducted with active participation of students like

plantation drive at adopted village, conducting voters' awareness Programme to create awareness about electoral process, conservation of relics at Dewalkhanda Temple Campus of Mazbat. Under its Program of delivery by imparting value based knowledge and enabling students to be socially responsible to transform self and society, the College is committed to supporting extraordinary individual initiatives to enable young, enthusiastic

women to realize their dreams and aspirations.

Women Cell of the College is led by dynamic and committed female faculty members who are very much proactive for the equal rights of female students of the

college. They conduct various activities to empower the female

students, they include talk on sexual harassment at work place, menstrual hygiene, free check-up camps, career

counselling sessions etc. Even counselling sessions are also conducted for the female folk

of the campus. In a nutshell, Mazbat College is a socially responsive higher educational institute in this remote area of Bodoland Territorial Region of Assam. Above mentioned programmes clearly shows our commitment to the society.
